

## Annexure – About QMed and Mediknit

**QMed Knowledge Foundation**, a Not for Profit Trust, was set up in 2007, with a mission:

*“To enable health professionals, institutions, patients and health consumers working in the health care sector, to obtain the best evidence from systematic research, in order to ensure accurate delivery and availability of optimal health care services.”*

The Founder, Mrs Vasumathi Sriganesh has delivered nearly 400 lectures on searching and referencing and has conducted over 200 workshops on these topics. She is recognized by the MUHS and is a certified MMC specialty speaker.

QMed’s aim is to see that its available expertise reaches out to all health care institutions in the country and that all health professionals learn these skills to enhance their practice, academics and research.

QMed’s lectures and workshops have found their way into courses conducted by International bodies like FAIMER, MECOR (India) and The Union (IUATLD)

More details about QMed can be accessed at [www.qmed.ngo](http://www.qmed.ngo)

**Mediknit** is an unbiased, independent, global professional medical education platform, designed, developed and delivered by HealthConnect Digital. Mediknit is focused on enhancing the quality of medical education delivery and reach through the use of best technologies.

Mediknit is at present working with 20+ associations and organisations, some of which are AMASI, IADVL, IAN, ARDSI, IRIA, AOMSI, INASL, IHPBA, APF, etc and serving 65000+ doctors and healthcare professionals across India, Australia, Singapore, Malaysia & Philippines. Mediknit is delivering structured courses online and offline across specialties and contributing its bit to enhance medical education, with strong partnerships.

Mediknit has partnered with QMed for the mission of reaching out its much needed skills across India (and wherever the need is felt).
