

## **Proposal for Institutional Access to the “Mastering PubMed: Basics” Course**

### **About the Course:**

#### **Key Features:**

1. Eleven video lectures
2. Integrated timely knowledge check points (MCQ Assessments)
3. Sequential learning to ensure completion
4. ‘Ask The Expert’ feature to raise a question any time to the faculty
5. One year mentoring support (Through webinars)
6. Unlimited access to lectures for 1 year
7. Summative examination (On completion)
8. Certification

#### **Course Objectives:**

- Understand the importance of learning to search literature correctly
- Retrieve relevant results and save time
- Narrow down search results, when there are too many, and broaden them when there are too few
- Save search strategies for future use, and search results in different formats for specific uses

Detailed curriculum and objectives can be accessed at: [www.mediknit.org/qmed](http://www.mediknit.org/qmed)

### **Course Dissemination Plan:**

We suggest provision of access to the course for all students / health professionals in your institution. We also offer certification in collaboration with your institution. With this certification, the acceptance and reach will be higher and will help with the motto of ensuring use of the right searching methods, and minimal time wastage in this activity.

### Course Financials:

The actual cost of the course, per learner is 5000/- INR. However, we have flexible plans for engaging with larger organizations. Every plan is valid for one year from the date of payment.

**Plans 1-3 – Valid for all members/users of an institution. The Institution makes the payment.**

Plan 1: Organisation with Members/Users more than 1000	Rs. 2,70,000
Plan 2: Organisation with Members/Users 501-1000	Rs. 2,30,000
Plan 3: Organisation with Members/Users between 101-500	Rs. 1,70,000

**Plans 4-5 – Valid for small groups. One person from a group collects from all and pays, OR ensures that each one has paid individually.**

Plan 4: Group access for 5-25 Members	10% Disc/User
Plan 5: Group access for 26-100 Members	Rs 1750/User

### Requirements from the Institution

1. The Institution provides its logo for inclusion in the certificate
2. The Institution carries information about the course on its website, for spreading awareness

### Requirements from Participants for Enrolling

1. Filling up our form on [www.mediknit.org/qmed](http://www.mediknit.org/qmed)
2. Uploading a scanned copy of their institutional id
3. For group access, one individual from the group has to coordinate with Mediknit, by collecting the money from all, making payment to Mediknit and providing the name, email id, and mobile no of each individual
